You now have 14 sts remaining on needle. Knit back even to middle of row.

TO JOIN CROWN: With half the sts on each needle, cut yarn (leaving about 15 inch length for seaming) and thread into needle. Fold cap so both needles are even and parallel, with free yarn extending from right-hand end of back needle. While working always keep yarn under knitting needles. Weave sts from front and back needles together with KITCHENER stitch as follows:

(*) Pass wool needle through first st on front knitting needle (enter from left to right) as if knitting. Slip st off needle. Pass through second st on same needle (enter from right to left) as if purling. Pull yarn through, but leave st on needle. Pass through first st on back needle as if purling. Slip st off. Pass through second st on back needle as if knitting. Pull yarn through, but leave st on. Repeat from (*) until all sts are off needles. Pull yarn through and fasten securely, leaving extra length to sew up seam.

To Sew Seam: Place edges of cap adjacent to each other, pattern matching. Picking up outside loop of st from each side, sew back and forth, drawing through two edges securely from top of crown to bottom of cuff. DO NOT SEW THROUGH DOUBLE THICKNESS.

PLEASE DO NOT BLOCK CAP
