Seafarers’ House 2020 Sponsorship Opportunities

The International Golden Compass Award Gala  May 9, 2020
The International Golden Compass Award Gala is the signature black tie event for the Broward County maritime community and is renowned for being an elegant, fun evening that draws more than 300 local and international guests.

International Day of the Seafarer  June 25, 2020
A day that truly honors the hardworking men and women of the maritime industry. We will celebrate with a party complete with entertainment, food and raffle drawings to thank the seafarers for all that they do for us.

The South Florida Business Leaders’ Luncheon  November 2020
The Annual South Florida Business Leaders’ Luncheon is regularly attended by more than 200 community and business leaders. Each year Holland America Line generously hosts this luncheon aboard one of their ships which means 100% of all proceeds raised supports mariners.

Shoebox Christmas  November –December 2020
Annually hundreds of volunteers from the community collect, package, wrap and deliver gifts to approximately 1,800 mariners aboard as many as 80 different cargo and tanker ships docked at Port Everglades during the holidays.

Mariner Transportation  Year Round
By sponsoring a vehicle you ensure mariners have free transportation to Seafarers’ House Casa when their vessel arrives at Port Everglades. The vehicles also allow us to bring our services to those who may not be able leave their ships due to time constraints or visa restrictions.

Communications  Year Round
Serving a global population, our website and emails are important tools to educate mariners and the community about our mission and programs. Mariners not only learn about the services available to them while in Port Everglades, but they also receive tips on health and wellness, safety and other issues they face through our seafarer focused blog.
