Dear Friend of Seafarers' House,

On Saturday, September 23, 2023, Seafarers' House will host its annual **International Golden Compass Award Gala**. This black-tie gala is our major fund-raising event, typically attended by 400 guests, and a primary source of funding to keep our doors open to over 150,000 mariners annually. This year we are thrilled to present the International Golden Compass Award to Jason Liberty, President and CEO Royal Caribbean Group.

The Golden Compass Gala includes both live and silent auctions; last year these auctions generated over \$30,000 alone! **I am writing to ask you to consider donating an item for our auction.** In return for your generosity, you will receive recognition in the souvenir event journal as well as on auction display signage at the event. For your convenience, a reply form is enclosed, or you may contact Seafarers' House Events team at **954-734-1580** with any questions.

Seafarers' House at Port Everglades, a 501-c-3 non-profit organization, is a leader in a tradition that is nearly 200 years old and active in hundreds of ports worldwide. We welcome visiting mariners to our shores and share the gifts of hospitality and fellowship in a safe, friendly place. Visiting seafarers can connect with their families, relax, ask questions about the community, and receive emergency help if necessary.

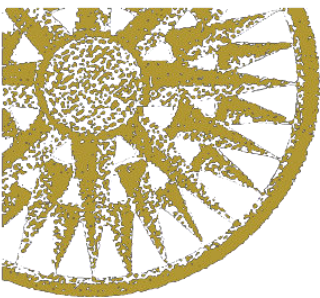

The proceeds from this event will fund and enhance Seafarers' House unique mission as the demand for our award-winning service continues to grow. Please join me in this effort to ensure that the thousands of mariners who visit Seafarers' House each year will continue to receive the help they need. Your contribution will touch many lives and make an enormous difference.

Sincerely,

Maureen Orts, Operations Manager
Inter cruises Shoreside and Port Services
Auction Committee Chair
